SPORTSART FITNESS AWARDED “HEAD OF CLASS”

Eight SportsArt Fitness’ products were recognized by FitnessProfessorReview.com

Woodinville, WA (December, 2009) SportsArt Fitness, an industry leader in the design, development and manufacture of premium quality residential and commercial fitness equipment, is pleased to announce that eight of their products have been awarded Head of Class distinctions by the popular equipment review site, FitnessProfessorReview.com.

The following SportsArt Fitness products received the “Head of Class” distinction from FitnessProfessorReview.com: T620 Treadmill, T610 Treadmill, E821 Elliptical, E81 Elliptical, C531r Cycle, C520r Cycle, C50r Cycle, C50u Cycle.

According to the Fitness Professor Review website, the site was created to be a leading source for complete, unbiased, and independent fitness equipment reviews. FitnessProfessorReview.com helps consumers quickly find products that are of the highest quality and provide best features for the price.

“We are pleased to receive recognition from FitnessProfessorReview.com for the quality and innovative design that has always set SportsArt Fitness products apart from the competition,” Ken Carpenter, Director of Sales said.

About SportsArt Fitness

SportsArt Fitness is an industry leader in the design and manufacture of high quality cardiovascular and strength equipment for home and commercial use.
