KEY FEATURES

QuikFold™ design for maximum space efficiency

Spacious 20" x 58" running surface accommodates virtually all stride lengths

SDS™ shock dissipation system reduces foot strike impact and protects against injury

ActivZone™ icon illustrates which muscle groups are being activated throughout the workout

Tilt & go transport wheels

Optional entertainment screen bracket

The TR21f features a state-of-the-art tri-color dot matrix display with CardioAdvisor™ for accurate heart rate feedback. Multiple programs keep workouts fresh.
